Respected Sir,

I am writing to inform you about my absence from class on 28/03/2025, which was due to my commitment to completing a freelancing project. As the project required my immediate attention and involvement, I was unable to attend my regular academic schedule on the mentioned date.

I apologize for any inconvenience caused by my absence and humbly request you to grant me leave for the mentioned date.

Thank you for your understanding.

Yours sincerely,  
Ramkumar,  
1st M.Sc.
